New core curriculum requirements effective for those students who begin their SIUC career (catalog year) summer 2012 or later include a UCOL 101 Foundations of Inquiry in the foundation skills category and eliminate the Interdisciplinary requirement in the integrative studies. Transfer students with an AA or AS degree from a public Illinois community college, an AA degree from Missouri “42 Block”, or an AA or AS from KCTCS will be considered Core Curriculum complete. Completion of Illinois Transferable General Education Core Curriculum (IAG GECC) will also satisfy SIUC UCC requirements.

**STUDENT:**

**Residency** satisfied with a total of 90 or last 30 semester hours at SIUC. **Senior (4-year) Institution Hours Required:** 42 semester hours at 300-400 level.
