

## UCC Course Proposal

### First Review

Please submit with a syllabus to: [corecurr@siu.edu](mailto:corecurr@siu.edu)

The Course title, number, and Catalog description. Maximum 150 words

A rationale for the course: For what area of the Core Curriculum is this course being proposed and what perceived gap or need *within the existing Core Curriculum* does it fill. Please also include a discussion of and rationale for the proposed course level (100, 200, 300).

What are the [LEAP](#) learning outcomes that this course fulfills and how will course assignments/assessments judge their fulfillment? Consider especially how the course is “*Focused by engagement with big questions, both contemporary and enduring.*”

First semester the course will be offered.

Course Format	Face to Face	Virtual	Hybrid
---------------	--------------	---------	--------

Frequency Taught: every semester; every fall semester; every spring semester. UCC courses are required to be offered at least once a year.

Number of sections to be offered each time the course is offered.
